OUR TOP INDUSTRIES

Agriculture

An abundance of productive farmland, clean air and water make the Wild Rose Region an attractive place to live and operate a business. Bassano farmers produce an almost unlimited variety of crops. Barley, oats, canola, potatoes and endless fields of wheat surround the community. The longest growing season in Alberta, with unusually high summer temperatures, helps produce exceptional levels of quality products.

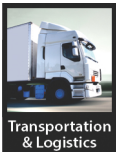

Manufacturing

Bassano has a vibrant manufacturing sector for items such as agricultural implements, refuse containers, garments for the oil and gas industry, truck parts and accessories, and specialized equipment. The region has a number of highly qualified and innovative welders undertaking custom steel fabrication and manufacturing and the Town has over 160+ acres of industrial sites available for development.

Oil and Gas

Adjacent to Highway 36, a high load corridor to the oil fields and near the cities of Calgary and Medicine Hat, Bassano is strategically located for oil and gas industry transportation and servicing. A large population segment is engaged in the oil and gas industry, which includes exploration, extraction and fields operation. The area boasts several thriving oil and gas product and service companies.

Transportation

Bassano is located in southeastern Alberta, 140 kilometres east of Calgary and 160 kilometres west of Medicine Hat on Highway 1. The Town is situated on the western edge of the County of Newell, is on the high load corridor and is part of the Eastern Alberta Trade Corridor. The airstrip is located three kilometres north of town and the nearest commercial and air freight services are at Calgary International Airport.
